

SCIENCES

Club

Time: **Every Friday from 12.30 to 1.30pm**

Description:

Budding scientists or simply curious? Everyone is welcome! The science club run by Mrs Siloret is aimed at students who wish to have fun with science during the lunch break.

With a variety of activities, students will undertake experiments to understand their daily lives and participate in projects such as:

- **Your brain is lying to you! Optical illusions to drive you mad!**
- **Walking on water? Fake or reality?**
- **Mould soup with a side dish of fermentations**
- **Best volcanic eruption competition**
- **Fancy an ADN cocktail?**
- **« Tektonik »: panic on the dance floor!**
- **Defying gravity**
- **Sing/tell/draw your science!**
- **Nature: records and fun facts**

In order to ensure the maximum fun and learning for all participants, this group will be limited to 12 students.

Attendance at this club will not be mentioned in the school report, but a certificate of attendance will be given to each participant at the end of the school year.

✂-----

On condition of minimum 6 participants and possible modifications at the start of the school year.

Registration slip for Sciences club for the school year:
